## New acquisition for MACH !

**Montreal, July 17<sup>th</sup> 2018** –MACH announces the acquisition of 101 Roland-Therrien Boulevard located in Longueuil, on the South Shore of Montreal. Built in 1989, this 8 storey class A office building has 127,918 square feet of office space.

The building, meeting institutional standards, is located at the intersection of Roland-Therrien Boulevard and Route 132.

With 6 bus lines serving the building, 400 parking spaces and proximity to highway 20, this is a first class property with great accessibility.

It has great visibility and offers spectacular views of the St. Lawrence River and the city of Montreal. "The city of Longueuil is dynamic, growing economically and offers enormous development opportunities. 101 Roland-Therrien Boulevard has great potential. The site will allow densification of up to 600,000 sq.ft." said Vincent Chiara, president of MACH.

### MACH: BUILDING VALUES

Mach's real estate projects are designed to have a structural, sustainable and appreciable impact on cities and neighbourhoods as well as on the lives of residents, consumers and visitors. Each building is conceived with beauty, usefulness and accountability in mind.

Mach stands out as one of the leading real estate developers in Quebec, with a commercial portfolio of close to 20 million square feet to its name, including noteworthy Quebecois landmarks such as the Sun Life Building, the CIBC Tower, Place Victoria, the Maison Radio-Canada and the Telus Building in Quebec City.
