

PROFESSIONAL BIOGRAPHY

Vincent CHIARA

Founder and President
MACH Head Office, Montreal

Founder and President of MACH since 2000, Vincent Chiara is responsible for defining and steering the company's strategic vision. He oversees the development and growth of an extensive real estate portfolio across Canada, with a particular focus on creating sustainable, functional, and culturally vibrant spaces.

In this capacity, he leads the company's major investment strategies, acquisitions, key partnerships, and urban redevelopment projects. He ensures that every MACH initiative aligns with the company's core values: environmental responsibility, design excellence, cultural integration, and quality of life.

Thanks to his recognized leadership, he plays a key role in shaping Quebec's real estate sector and actively contributes to the revitalization of strategic neighbourhoods, fostering dynamic and inclusive communities. ([114 mots](#))
